Grand Canyon University's Summer Institute series

Within the coming weeks, GCU will be launching our promotion of summer camps that give students the chance to explore future career tracks, college programs of study, and experience GCU's campus life. Each camp session runs for 3 days & 2 nights, with overnight parking available to the students that drive. Attendees may look forward to sessions created and taught by GCU professors that will include hands-on learning experiences, real-world insight from partnering businesses, and evening socials with other students. Camp admission is only \$100, which includes food, lodging, and all camp activities. This event is open to all entering Sophomore, Junior, or Senior year this fall.

This June, GCU will be hosting three separate camp sessions with each one offering the following tracks:

Business	Engineering
Performing Arts & Production	Pre-Health & Sports Medicine
