Assistant Principal Announcement

Mrs. Anna Weiler

This week we said goodbye to Mr. Leybas who has been with Heritage Academy Laveen since our opening in 2014. He has been pivotal to making our school what it is today and we are sad to see him go. Today we welcome our new principal, Mrs. Asanovich, and our new assistant principal, Mrs. Weiler. Both are familiar faces on campus and are well-loved by both scholars and staff. Their dedication to our campus has been proven and we are fortunate to have them in these new capacities. We are excited to have them!

Scholars can now have online access to the Microsoft suite online through Office 365. This is a useful tool to assist in their online learning. Mr. Smith will be on campus from 8-12, Monday-Thursday, September 21-24 to assist with set-up. Stop in if you are interested.

PSAT

Description: The PSAT is an optional preparatory test for the SAT with four focus areas: reading, writing, language, and math. The most common reasons for taking the PSAT are:

- To help prepare for the SAT. You will become familiar with the kinds of questions and the exact directions you will see on the SAT.
- To enter the competition for scholarships from the National Merit Scholarship Corporation (grade 11).
- To assess your strengths and weaknesses on skills necessary for college study.
- To see how your performance on admissions tests compares to other students applying to college.
- To receive information from colleges when you check "yes" to Student Search Service
