Now, check out our SIZING & FIT HUB – a dedicated resource featuring some seriously amazing tools.

- Our quick [video sizing tutorial](#) helps you accurately record your student's measurements. No measuring tape? We've got you covered – here's one you can [download](#) and print.
- Get DENNIS size charts with both alpha and numeric sizes! Use your recorded measurements to take the guesswork out of finding the perfect fit and order the right size the first time.
- Customers love our Polo Size Charts! If you know how your student compares with his or her grade, this handy chart shows what size to buy. PLUS – the best polo size for your student will be the best fit for our sweaters, sweatshirts and jackets, too! (Designed with extra room for layering.)
- See a media gallery full of product size comparisons with real students! Photos and videos show students of all ages modeling tons of popular DENNIS products. Their heights, weights and waist measurements are noted to compare with your student.
- Find even MORE Fit Tutorials for even MORE sizing help! We've created video tutorials for toddlers and kindergarteners, boys and men, plus sizing on popular DENNIS products like skirts, skorts, bottoms and so much more.
