

Reopening Reminders

In person instruction
resumes 10.12.2020

We are looking forward to having our in-person instruction beginning on October 12. In an effort to make the transition as safe and smooth as possible, please keep in mind the following:

Get “Polo-fied”

We have just over two weeks left! Please make sure that uniforms have been purchased. If you are still needing to order uniforms, please check out the options that are available [here](#). *Please know that if a scholar does not come to school in uniform, they will need to be sent home.* Due to COVID restrictions, we will not be able to loan any uniforms out nor will parents be able to deliver a uniform. Please plan accordingly.

Cut it, Dye It, Shave It, Remove It

Heritage standard will be enforced. Now is the time to get those haircuts, dye the hair to a natural color, take out piercings, and start shaving again. Any scholar not in Heritage standard will need to be sent home.

Men at Work

Entrance to our campus from the west on 43rd Avenue. Please do not enter through the exit on Baseline. We will need to navigate around construction so please enter cautiously.

If you need a **parking pass**, you may come into the office and purchase one for \$10 in cash. With the exciting construction that is going on we do have a limited supply.

Enter if You Dare

Entrance into the building will only be through the south door (the back). Scholars will be required to wash their hands at the handwashing stations before entering the building, so please arrive early.

Mask Up

Masks are mandatory. Masks will be considered part of dress code and any scholar not wearing a mask will need to go home.

No Deliveries

Please plan appropriately for every day. With COVID restrictions we are not permitted to allow visitors which means that no delivery of food, homework, clothing, or instruments will be allowed.

It is optimal for any appointments to be made on Fridays, but if a scholar must be signed out early, please do so before 2:30 PM. Scholars will not be able to be signed out after that time.

Get Your ZZZZ's

Prepare to stay healthy now by adjusting your sleep schedule to get adequate sleep. Those early mornings will come quickly!
