### The ACE Program

ACE stands for Achieving a College Education. ACE is designed to help scholars achieve a college education by taking college courses in both their junior and senior years. However, ACE only recruits scholars in the SOPHOMORE year to participate. Best of all scholars can earn up to 24 college credits by the time they graduate and it's all FREE! Visit the [website](#) for more information.

Please consider paying your PTO dues ([click here](#)). We don't ask you to try to sell wrapping paper, popcorn, or cookie dough to your neighbors and friends! We simply ask each family to please pay \$20 so our PTO can have funds to show our appreciation to our teachers and purchase a yearly gift for the school. Another side effect of COVID is that our PTO dues total has dropped quite a bit compared to previous years. Please consider donating \$20 (or more, if you'd like) to help us spoil our teachers. Appreciated teachers are happy teachers!

Thank you for supporting our school
