We continue our efforts to maintain a clean and healthy campus. Please continue to encourage your scholars to wash hands frequently and to stay home if they experience symptoms of illness.

We realize there may be challenges to getting to school on time every morning. It is with this in mind that your scholar is given the grace of three tardies before they will need to go to tardy sweep. Repetitive tardies are disruptive to our classes and we ask that you allow enough time in your morning to ensure that our scholars are arriving to school on time. Arriving to school with time to spare is a great way to partner together toward our scholars' success!
