The PSAT is an optional preparatory test for the SAT with four focus areas: reading, writing, language, and math. The most common reasons for taking the PSAT are:

- To help prepare for the SAT. You will become familiar with the kinds of questions and the exact directions you will see on the SAT.
- To enter the competition for scholarships from the National Merit Scholarship Corporation (grade 11).
- To assess your strengths and weaknesses on skills necessary for college study. how your performance on admissions tests compares to other students applying to college.
- To receive information from colleges when you check "yes" to Student Search Service
