### 18 Fun Facts about the US PRESIDENTS

1. The teddy bear was named after Theodore Roosevelt. On a camping trip, Roosevelt refused to shoot a small bear cub. The teddy bear was born!
2. Grover Cleveland is the only president to serve two non-consecutive terms.
3. Dwight Eisenhower is the only president to serve in both WWI and WWII.
4. Andrew Jackson had a parrot that was so profane, it had to be removed from Jackson's funeral for swearing.
5. James Garfield survived an assassination attempt, only to die from blood poisoning after doctors attempted to remove a bullet from his back. It is said Garfield could have survived with the bullet in his back. His assassin, Charles Guiteau, claimed that he didn't kill the president, the doctors had. He was hanged anyway.
6. Martin van Buren was the first President to be born a US citizen.
7. John Tyler was born in 1790, and still has two living grandchildren.
8. Woodrow Wilson is the only President to have earned a Ph.D. He didn't learn to read until he was 10 years old.
9. James Madison was the shortest President. He was only 5'4" and never weighed more than 100 pounds.
10. Once, while giving a speech, Teddy Roosevelt was shot. He continued to deliver his speech with the bullet in his chest.
11. William Taft is known as the largest President. Dubbed "Big Bill," Taft weighed 325 pounds, and often got stuck in the White House bathtub.
12. William Henry Harrison gave the longest inauguration speech - 8,578 words in one hour, 40 minutes. Unfortunately, it was cold outside during his speech, he caught pneumonia, and died exactly one month later.
13. Franklin D. Roosevelt was in office for four terms, from 1933-1945. He served 12 years, 1 month, and 8 days, until dying right before WWII ended. He is the only President to serve more than two terms.
14. George Washington gave the shortest inauguration speech on record - 133 words and less than two minutes long.
15. John F. Kennedy was the first Roman Catholic to be president, the first Boy Scout to become president, and the first president to be born in the 20th century.
16. Abraham Lincoln created the Secret Service hours before his assassination.
17. Calvin Coolidge had a pet pygmy hippopotamus named Billy.
18. During WWII, ten men survived a plane crash after being shot down by the Japanese. Only one was rescued, and the other nine men died at the hands of the Japanese. The lone survivor was George H. W. Bush.

## 2022-23 PTO Meetings

April 19th 6:30pm

**We realize there may be challenges to getting to school on time every morning. It is with this in mind that your scholar is given the grace of three tardies before they will need to go to tardy sweep. Repetitive tardies are disruptive to our classes and we ask that you allow enough time in your morning to ensure that our scholars are arriving to school on time. Arriving to school with time to spare is a great way to partner together toward our scholars' success!**
