To be in the yearbook, you must have a studio picture submitted for your senior picture. The most convenient way to do this is to have Lifetouch take it for you on December 8th. If you are unable to be present on that day, you must go to a photography studio to get your picture taken and then submit it to the yearbook.

You can take up to two poses. This will not be a full senior photography session.

Dress and grooming standards must be adhered to in regards to piercings, facial hair, and hair length. Men are asked to wear a collared shirt. However, a jacket and tie are preferred for men. Women are asked to wear a dress or blouse with cleavage and shoulders covered.

We realize there may be challenges to getting to school on time every morning. It is with this in mind that your scholar is given the grace of three tardies before they will need to go to tardy sweep. Repetitive tardies are disruptive to our classes and we ask that you allow enough time in your morning to ensure that our scholars are arriving to school on time. Arriving to school with time to spare is a great way to partner together toward our scholars' success!
