Our alumni community is a reminder that the impact of a school reaches far beyond the classroom. We are proud of the students who have walked through our doors and excited to see all that they continue to accomplish.

From the Archives

Every school has memories that stay with its students long after graduation. From unforgettable school events to friendships formed in the hallways, these moments become part of the story of Heritage Academy.

In this edition, we are looking back at moments from years past and celebrating the traditions, people, and experiences that have helped shape our school community.

Graduation may mark the end of one chapter, but it does not mean the end of your connection to Heritage Academy. There are many ways to stay involved and continue supporting the next generation of Heroes.
